

To Whom It May Concern,

The Fort Rucker Community Spouses' Club (FRCSC) has a longstanding tradition of supporting Military Children and Spouses with scholarships to college or technical school. Our goal is to continue to assist students seeking higher education. We will only be able to do so with the support of community partners like yourself. Please consider investing in the future of a Military Child or Spouse.

Any donation amount is appreciated and will be graciously received. Contributions that are \$1,000 and above qualify the contributor to be named on the scholarship, i.e., "FRCSC Community Scholarship made possible by [business/organization name]". At the Scholarship Ceremony, to be held in May 2021, those contributing at this level are asked to attend to help present the scholarship they sponsored. Donors to the scholarship fund at all levels will be invited to the event.

FRCSC would like to thank our loyal supporters by naming their business/organization in our newsletter, *Flightlines*, on our official club website, and on our club's Facebook page.

The Fort Rucker Community Spouses' Club is a 501(c)4 organization. Donations are not deductible as charitable contributions for Federal income tax purposes, however if needed for your records, or tax ID number is 63-0500701.

If you have any questions or would like to obtain further information, please feel free to contact me directly.

Respectfully,

Cathy Alexander-Hazel  
FRCSC Scholarship Chairperson
